The screenshot shows a Microsoft Access 2016 window titled "Datasheet View". The menu bar includes File, Home, Create, External Data, Database Tools, Help, Table Fields, Table, and a search bar. The ribbon tabs are View, Filter, Selection, New, Totals, Save, Spelling, Replace, Agitos (Detail), and Text Formatting. The left pane displays the navigation pane with "All Access Obj..." selected, followed by Tables: Accounts, Branch, and Customers. The main area shows a table named "Branch" with the following data:

Branch ID	Manager's Name	Branch Location	Manager's Start Date
B10	Cameron	Uptown	12/5/2016
B20	Esposito	Eastern	6/18/2015
B30	Amoako	Western	3/13/2013
B40	Singh	Southern	9/15/2016
B50	Student Name	Campus	10/11/2018

The status bar at the bottom indicates "Record: 4 < 5 of 5" and "Search".
